

VDP.GUTSWEIN

2023 Cuvée Sommerzeit

No. 980

White wine cuvée from Muskateller, Scheurebe and Cabernet Blanc. Muscat is one of the oldest grape varieties of all. It has been cultivated since ancient times, and sweet wine has almost always been made from it. Muscatel has a unique aromatic intensity. However, this does not mean that a dry version is to be despised on the contrary! In combination with dry Scheurebe and the fungus-resistant new variety Cabernet Blanc, which is reminiscent of Sauvignon Blanc, it is the perfect summer wine.

WINE	Scent of white elderflower, exotic fruit aromas such as lychee, passion fruit and a little lime
VINTAGE	selective and separate harvesting of the different grape varieties
VINIFICATION	gentle processing of the grapes as cool as possible to preserve the fruit aromas and freshness in the wine, maturation in stainless steel tanks
STORABILITY	easy drinking summer wine
FOOD RECOMMENDATION	grilled fish, seafood, summer dishes, terrace wine for warm summer evenings, asian cuisine
DRINKING TEMPERATURE	10 °C
ANALYSIS	Alc 11,5 %vol, Acidity 6,2 g/l, Residual Sugar 6,7 g/l
